It was established to meet the needs of working parents while providing children with a fun, safe, and enriching environment. Our program offers a variety of daily activities focusing on the following:

- Academic Support (Reading and STEM)
- CATCH curriculum*
- Confidence and Character Development
- Fitness and Health Education
- Games
- Service Learning
- Homework Support with certified teachers
- YMCA Healthy Eating and Physical Activity Standards
- Healthy Snacks
- Guest Speakers and demonstrations
- Arts and crafts

Learning doesn't stop when the school day ends. The Y provides the academic support needed to help students achieve their full potential. Each day is filled with educational activities that also incorporate active play to develop a life-long love of health and wellness.

WHAT PARENTS ARE SAYING ABOUT YMCA YOUTH DEVELOPMENT PROGRAMS

"My son has attended the YMCA After School Program for several years. As a working parent, it is comforting to know that my child is getting his homework completed, is served a snack, and is in a safe and clean environment. I also like the fact he has time to socialize with friends and gets to participate in various physical activities. When I pick him up from the YMCA, I get to ease into our evening instead of rushing to get everything done. I truly value my partnership with the YMCA as they have become like family."
