- CATCH curriculum\*
- Confidence and Character Development
- Fitness and Health Education

Learning doesn't stop when the school day ends. The Y provides the academic support needed to help students achieve their full potential. Each day is filled with educational activities that also incorporate active play to develop a life-long love of health and wellness.

**"My daughter has attended YMCA After School since the first day of kindergarten. She enjoys the homework assistance, games, healthy snacks, arts and crafts, physical activity, and everything else the program has to offer. She has made great friends through the Y. The counselors are caring, dedicated, and professional. As a working mother, there is nothing more reassuring than knowing that my child is happy and well cared for."**
