Lane allocation will adjust depending on participation numbers.

Lifeguard has final say so regarding pool policies and lanes usage.

(Possible Makeup Swim Lessons) listed on Wednesday and Friday: In the event Swim Lessons are canceled during the week, we will do makeup between 5pm-8pm.

Lanes 1 and 6 are frequently used for swim tests as needed.

Multiple activities are often scheduled in this pool at the same time.

- Lane changes are made by the lifeguard 5 minutes before the time indicates.
- Please get equipment (kickboards, pull buoys, etc) before entering the pool and please put them away after use.
- To avoid accidents please get the swimmer's attention that you are there before entering an occupied lane.
- If there are 2 swimmers in a lane they may elect to split the lane in half; use circle swim when 3+ swimmers are in a lane.
- There is no guarantee for an individual lane.
- Children 8th grade and younger must be swim tested to determine swim level; All elementary age children (5th grade & under) must have a parent or guardian (18+) on pool deck/area at all times regardless of swim level.
- Color bands must be worn – GREEN (Swimmer-can swim anywhere), RED (Non-swimmer-shallow end only)
 - See Swim Test Policy for details regarding the swim tests
- Pool rules must be followed (posted) and lifeguards have the final say including on all swim tests.
