TO THE PARENTS AND GUARDIANS OF YMCA CAMP HANES DAY CAMPERS:

Thank you for enrolling your child in our Summer Day Camp program. Inside this packet you will find information regarding the procedures and practices of our YMCA Day Camp program. We look upon everything we do in camp through the eyes of a parent. Safety, fun, and growth opportunities are our greatest focus. We want your child to be ready to make new friends, try new activities, and grow while having fun in a positive environment.

To ensure we are providing the best possible care, we ask you complete paperwork when you register your camper. If you need to update your camper's medical form, health history form, or update us on any changed health information please contact our registrar at registrar@ymcanwnc.org.

These forms will provide us with the information needed to provide an unforgettable experience for your camper. If you have any questions or would like to discuss plans for your camper's success, please do not hesitate to contact me at 336 983 3131 or by email at m.mccallum@ymcanwnc.org.

This year we also have a new contact phone for Day Camp. You can call 743 444 3053 to get in touch with a Day Camp staff member for pick-up, drop-offs, and any other questions you might have.

Please look over this packet so we can begin to work together to create an exciting, unforgettable summer experience for your child

DAY CAMP GOAL

Day Camp allows children to experience a wide variety of activities and adventures, which are used as tools to enhance a camper's self-esteem, confidence and ability to interact with others. Children will be placed in appropriate age groups where they will play and work together in a positive atmosphere. Well-trained staff members will stay with the children and provide them with adult role models throughout the week. Day Camp is designed to offer a well-balanced age appropriate activities to suit the interest and needs of all ages. Our goal is to ensure a safe, positive environment where children continue to learn and grow physically, mentally, and spiritually all summer long.

BUS PROCEDURES & RULES

Drop-off

In the morning during drop off please form an orderly line to check-in. Day Camp staff will confirm code words, pick-up times, gather a signature from parent, and documentation on any medication for campers. Please be patient as sometimes check-in on Monday does take some additional time. Once campers are checked in they should gather their things and head onto the bus. Once campers get on the bus they will be asked to find a seat. Every Monday morning a staff member will go over bus rules and expectations.

Pick-up

In the afternoon, before campers can get off the bus, parents/guardians must give counselors the code word on file and sign out the child. Once a counselor has received the code word the camper can get off the bus and is free to leave.

Pick up/ Drop off Change

As a result of very full transportation we will do our best to honor requests to change transportation, however due to limited capacities on buses we can only promise transportation to and from the location selected during registration.

In order to change pick-up/ drop-off point you must notify the day camp director, Monica McCallum, in writing at m.mccallum@ymcanwnc.org. Please confirm the change with camp staff at least one route prior to the change. Before leaving camp in the afternoon, roll will be taken on each bus to ensure each camper is on the correct bus.

Camp counselors on each bus will have all contact information of campers in case of emergencies. In addition to the driver, any bus carrying campers will carry a camp staff member who has been trained in safety responsibilities and group management. An additional counselor will be present on buses in the event of a camper with any mental or physical disability. Campers are expected to follow rules of both bus driver and camp counselor during their trip to and from camp. Failure to follow bus rules will result in camper's expulsion from bus for duration of their week.

Volume and behavior will be maintained by the camp counselors on the bus. Fighting of any kind or profanity will not be tolerated and will be cause for immediate expulsion from the bus for the remainder of the week.

1. Campers will be asked to sit youngest to oldest (Front to back)
2. No standing while bus is in motion
3. Keep hands and arms inside the bus
4. Do not throw objects of any kind out the windows
5. Campers must face forward while bus is in motion
6. Campers will not sit on top of the seats
7. Campers will respect driver, counselor, passengers, other motorists, and themselves.
8. Campers will keep noise under control while bus is in motion
9. Campers must remain on bus until signed out by parent or guardian
10. Emergency exit must remain closed unless an emergency occurs
11. Food and drink is permitted as long as trash is properly disposed of, please no snacks containing peanuts or tree nuts.
12. Fighting, teasing, or any type of bullying will not be permitted

Campers are allowed to enjoy snacks and beverages while on the bus. We do ask that snacks be peanut and tree nut free, following our camp policy. Please remind campers how important it is to never throw items out of the window during bus rides. A healthy snack will be provided to each camper at camp in the afternoon. It is a good idea to encourage campers to bring water bottles to fill up and use the bathroom before boarding the bus.

Our goal is to make the bus ride as enjoyable for campers as possible, thus games, books, toys, and electronic devices will be permitted on the bus, provided the campers understand and agree once at camp, electronic devices must be put away or given to the counselors for safekeeping.
