Group Ex Class Descriptions

Cardio Dance Party – Cardio Dance Party is a variety of dance formats with high energy music that will burn calories and make your workout fun! This is for all fitness levels. If you can move, you can groove!

Cardio Fusion– A total body workout “infused” with cardio & toning exercises.

Chair Yoga– Replaces yoga mats with chairs to perform yoga poses that improve flexibility and mobility, thus decreasing muscle tightness and discomfort. Designed to meet the needs of seniors, beginners, or those who prefer not to be on the floor.

Fitness Mayhem– Will use a combination of traditional strength training exercises with dumbbells, cardio training, plyometric, interval training, etc. This is a total body workout.

Pilates– is a body conditioning routine that helps to not only build flexibility, but also strength, and coordination in the legs, abs, arms, and back. Breathing control and flexibility exercises restore balance, and improve posture and body alignment.

SilverSneakers® Classic– Have fun and move to the music through a variety of exercises designed to increase muscle strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles and a SilverSneakers ball are offered for resistance. A chair is used for seated exercises and standing support. This class can be adapted by the student depending on their fitness level and abilities. It is suitable for beginning to intermediate skill levels.

Yoga– Yoga combines movement with breath to create strength, awareness and harmony in both the mind and body. Develop your practice by exploring a wider variety of poses and styles in this class.

Sign-ups begin 24 hours in advance for each class. You may reserve your spot from our website, www.acfamilyymca.org.
