

Basketball Practice Plans

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Ages: 7 to 8

At this age, kids begin to explore tactics that help them keep possession of the ball, attack the basket, create space, and play good defense.

OVERVIEW

The practice plans that follow provide a guide for the season and incorporate the following key components:

- **Purpose:** The goals of the practice are your main focus.
- **Team Circle:** The team circle time that kicks off each practice is an opportunity for you to cover key character development concepts with your players. The Y's four core values—caring, honesty, respect, and responsibility—can all be related to many situations that arise while playing basketball. For example, playing cooperatively with teammates shows that you care about them.
- **Tactics and Skills:** Tactics are knowing what to do during the game (and when to do it), and they require an understanding of the problems faced by each team during the game and how those problems can be solved. Ways to maintain possession of the ball would be tactics. Skills are the physical skills traditionally taught, such as passing or shooting the ball or controlling the ball during play.
- **Rules and Traditions:** You will teach the rules of the sport to young children gradually, as part of playing games and learning skills. Traditions are those unwritten rules that players follow to be courteous and safe, such as raising their hand when they foul someone or playing cooperatively with the others on the team.
- **Fitness Concepts:** Even young children can understand some simple concepts about health and fitness, such as the idea that exercise strengthens your heart.

5 mins.	Team Circle: Four Core Values	<p>Gather players into a circle.</p> <p>SAY: "Everyone stand side by side in a circle. We're going to keep standing side by side as a group while we try to pass the ball to those across the circle from us. We'll pass slowly; remember to stay side by side at all times."</p> <p>Repeat for 10 passes.</p> <p>SAY: "If you were just catching a pass by yourself and could move to get the ball, it would have been much easier. But when we think of working together as a team, it takes more effort. We need to put just as much effort into being good teammates, with everyone doing their part. We'll talk about four qualities or values that help us be better players—caring, honesty, respect, and responsibility. These qualities are just as important as shooting, dribbling, and passing. Give me an example of each of the four values."</p> <p>Listen to their responses and discuss.</p>	N/A

5 mins.	Three-to-Five-Second Box-Out Drill	This is a fundamental basketball drill used to teach beginners how to box out and challenge advanced players to hold their stance against bigger, stronger opponents. Have two players, one offensive and one defensive, line up in a rebounding stance. Have the defensive player hold their box out for three to five seconds as the offensive player moves around and tries to get the rebound. Each rebound should be secured by the defensive player in order to switch players.	 https://sportsedtv.co/3CRKtd8

10 mins.	How to Read the Defense	<p>INDIVIDUAL</p> <p>This video teaches the identifiers what to look for in the defense and how to score based on defensive positioning. Once this is explained to the players, have them line up; the coach plays the defensive call. Start in the paint and work backward for more difficulty.</p>	 https://sportsedtv.co/3CTIHbE
15 mins.	Offensive Teamwork Game	<p>THREE VERSUS THREE SHORT-COURT GAME</p> <p>Limit players to dribbling three times or fewer (modify the number as necessary) before passing. Call modified double dribble and traveling violations.</p> <p>For example, a player can stop and start toward the basket three times before a double dribble violation is called, and a player can take four steps without dribbling the ball before a traveling violation is called.</p> <p>If a violation occurs, the team's opponent takes a turn; also call modified foul violations. This allows the defender to touch the ball, but not the opponent. If a violation occurs, the opponent gets the ball. Remove modifications to challenge the players.</p>	N/A

5 mins.	Team Circle: Caring	<p>Gather players into a group and choose two to demonstrate with you. Dribble the ball and have the two players work to get in position to receive a pass. If a violation occurs, the opponent gets the ball. To challenge the activity, remove modifications.</p>	N/A
