Lane allocation will adjust depending on participation numbers.

Lifeguard has final say so regarding pool policies, lanes usage and swim tests.

Lifeguard has the right to retest any swimmer they feel is not swimming to their tested ability.

Possible makeup swim lessons on Fridays: In the event swim lessons are cancelled during the week, we will do makeup between 8:30am-11:30am and 4:30pm-8pm.

Lane 4 is frequently used for swim tests as needed.

Activity lanes are for use of individuals wanting to water jog or do water exercise not for lap swimming only.

Lap swimmers should continue to use the lap pool for true lap swimming.

When slides are open the deep end on lanes 1 and 2 are closed.

Multiple activities are often scheduled in this pool at the same time.

Lane changes are made by the lifeguard 10-15 minutes before/after the time indicates.

- Please get equipment (kickboards, pull buoys, etc.) before entering the pool and please put them away after use. Water fitness equipment is for Adult use ONLY.
- Fins, kickboards, pull buoys are NOT to be used for open swim.
- To avoid accidents please verify with lifeguard that slides are open as they may close when pool is busy even though schedule may indicate they are open.
- Children 8th grade and younger must be swim tested to determine swim level; All elementary age children (5th grade & under) must have a parent or guardian (18+) on pool deck/area at all times regardless of swim level.
- Color bands must be worn – GREEN (Swimmer-can swim anywhere), YELLOW (Shallow end only), RED (Non-swimmer-shallow end only with adult in the water within arms reach)
 - See [Swim Test Policy](#) for details regarding the swim tests
- Pool rules must be followed (posted) and lifeguards have the final say including on all swim tests.
