Wilkes County: YMCA After School Academy

After School Academy is part of the YMCA's history of dedication to youth development.

It was established to meet the needs of working parents while providing children with a fun, safe, and enriching environment. Our program offers a variety of daily activities focusing on the following:

- Academic Support (Reading and STEM)
- CATCH curriculum*
- Confidence and Character Development
- Fitness and Health Education
- Games
- Service Learning
- Homework Support with certified teachers
- YMCA Healthy Eating and Physical Activity Standards
- Healthy Snacks
- Guest Speakers and demonstrations
- Arts and crafts

Learning doesn't stop when the school day ends. The Y provides the academic support needed to help students achieve their full potential. Each day is filled with educational activities that also incorporate active play to develop a lifelong love of health and wellness.
