

DAY CAMP

Each day campers should be prepared for both land and water activities. YMCA Camp Hanes Day Camp operates Monday-Friday of all Day Camp sessions. We have two convenient pick up and drop off locations and our price includes transportation, breakfast, lunch, and an afternoon snack. We accept children between the ages of 6 (having completed one year of kindergarten) to 12 and place them into groups based on age. Each group has at least two trained counselors who assist campers with age appropriate activities and facilitate campers having an amazing week.

TRADITIONAL OVERNIGHT CAMP

In our weeklong Traditional Camp sessions, our campers are divided into three distinct activity groups, based on age – and all our activities are supervised by trained staff members to ensure each camper's safety and enjoyment. Many of our activities are offered to all three age groups, allowing campers to progress each summer as they continue to hone their skills and talents. At YMCA Camp Hanes we are always striving to meet our camper's needs. We have been excited to see our camper number grow over the past years. Our goal is to offer programs that help campers develop a sense of achievement, belonging and build great relationships.

Transportation, meals, snacks, and some activities are similar to the traditional Day Camp experience. This program has 4 sessions that are 2 weeks long and exclude weekends.

CILT is \$430 for members and \$450 for potential members per session.

If you are interested in the CIT program you must submit a letter of interest to Luke Marsden. A Zoom call with all participants and families will be set at a later date to discuss roles and responsibilities.

Our older campers who want to try out a more adventurous camp week are welcome to join Adventure camp. We will go to West Virginia to go rafting down the New River and then caving in Lost World Caverns before returning to finish out the week at camp. It's an awesome water experience for the novice rafting adventurer and a chance to get muddy! This is a great opportunity for a camper to get traditional camping experiences while spending the whole week in a tent and being in the beautiful outdoors with peers.
