A chair is available for support. This class is suitable for nearly every fitness level and can be adapted depending on the skill of individual participants.

SILVER SNEAKERS YOGA

Chair support is offered so you can perform a variety of seated and standing postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity. This class is suitable for nearly every fitness level.

BOOM MOVE

This fun, dance-inspired workout improves cardio fitness with easy-to-follow moves set to energizing music.

LES MILLS BODYBALANCE

Ideal for anyone and everyone, BODYBALANCE (formerly named BODYFLOW, nothing has changed other than the name) is a new generation yoga class that will improve your mind, your body and your life. You can expect to bend and stretch through a series of simple yoga moves, elements of tai chi/Pilates while an inspiring soundtrack plays in the background. Breathing control is a part of all the exercises, and instructors will always provide options for those just getting started.

CYCLE

Senior Cycle is a 45 minute interactive ride for those "seasoned in life". Focused on those individuals 50+years of age, any age is encouraged to come!

SILVER SNEAKERS ENERCHI

EnerChi is comprised of easy-to-learn, modified Tai Chi forms. Low-impact movements are practiced in a slow, flowing sequence to progress strength, balance and focus. Chair support is offered to facilitate standing stability and seated exercise options.

AQUA ZUMBA

Designed to bring people together to sweat - in the water. We take the "work" out of workout, by mixing low-intensity and Low-Impact moves for an interval-style, calorie-burning aqua dance fitness party. Once the Latin and World rhythms take over, you'll see Why ZUMBA Fitness classes are often called exercise in disguise.
